The Lolita Story

The Lolita brand was created by Lolita herself after a fabulous girls' night out in 2001, when she was served a cosmopolitan and thought the glass should match the colorful drink inside. This idea spawned the first of many beautiful glasses in the Lolita line in 2004, and the rest is history! Lolita glassware is hand blown and hand-painted into a one-of-a-kind work of art. Each glass is dressed up with a pattern, with flair and a fabulous recipe on the bottom.

As a designer, Lolita sees something quite extraordinary in the everyday and ordinary of life. She brings her vision into her products as a reflection of the Lolita lifestyle. It's a balance of fun, entertaining and celebrating moments with the special people in our lives. She injects her energy and charm into everything she produces, always pushing her designs in the fashion-forward direction. Lolita monitors the trends, colors, textures, and attitudes of the European runways. She takes care to incorporate the latest inspiration into her unique ideas and style when designing.
