## THE TRADITION OF ENGLISH FESTIVE AND PARTY CRACKERS

Party crackers are a British tradition dating back to Victorian times when a confectioner started selling sugared almonds, each with a motto and wrapped in a twisted paper package, as love tokens.

One day a jet of resin from the confectioners log fire burst into flame with a loud 'crack'. Using this idea he decided to make a log-shaped package that would produce a surprise bang and inside would be an almond and a motto.

It soon became a firm favorite at parties with toys, hats, and jokes added to each 'cracker'.

By the end of the century it was well established as a traditional holiday custom and now each year virtually every household in the UK

has crackers.

In recent years crackers have become essential ice breakers at all types of parties, dinner parties, weddings, and celebrations. Place one at each place setting for decoration and then pull it open with a friend and share the fun!
