### Product Description

- A Box of 8 of 14" (36cm) crackers - Box: 19.5 x 14 x 3 inches - HOW TO ORCHESTRATE THE FUN - Inside each handmade cracker, you will find a different colored metal handbell each with a different ring plus numbered badge which everyone should wear. Nominate someone to be the conductor

who, following the simple numbered music sheet and using the enclosed baton, points at each person (depending on their badge number) to ring their bell - the result: beautiful music....or total chaos! If fewer than 8 people are present then some will need to have 2 or more different handbells to ring - but make sure you do the right one at the right time! - Robin Reed is the premier manufacturer of traditional handmade English Christmas crackers. - A set of 8 crackers comes in a gift box.

Perfect for a special Christmas dinner or party.

On the additional image shown are other designs. Each sold separately in different listings.

## THE TRADITION OF ENGLISH FESTIVE AND PARTY CRACKERS

Party crackers are a British tradition dating back to Victorian times when a confectioner started selling sugared almonds, each with a motto and wrapped in a twisted paper package, as love tokens.

One day a jet of resin from the confectioners log fire burst into flame with a loud 'crack'. Using this idea he decided to make a log shaped package that would produce a surprise bang and inside would be an almond and a motto.

It soon became a firm favourite at parties with toys, hats and jokes added to each 'cracker'.

By the end of the century it was well established as a traditional holiday custom and now each year virtually every household in the UK has crackers.

In recent years crackers have become essential icebreakers at all types of parties, dinner parties, weddings and celebrations. Place one at each place setting for decoration and then pull it open with a friend and share the fun!
